Nothing in these rules shall:

- Sec.27.a Prohibit or hinder any Commission employee or agent, or any peace officer from performing their official duties.
- Sec.27.b Prohibit the Commission from establishing emergency rules required to protect the health, welfare, and safety of park visitors; to protect park property; to maintain order.

Section 28: VIOLATION OF RULES

- Sec.28.a Upon a violation of any provision of the foregoing rules, the Superintendent or designee, a park manager, assistant manager, a member of the Mecosta County Park Board or law enforcement officer may revoke user privileges and order the offending person(s) to leave park property. Any person who has been evicted from park property pursuant to a violation of park rule(s) shall be deemed ineligible to use and/or be present on any Mecosta County Park property for the time limit given in writing up to and including a permanent eviction based on the severity of the offense. Upon eviction notice, any continued use or re-entry to Park Commission property will lead the Park Commission to pursue a trespass violation of the law.
- Sec.28.b In addition to any administrative penalty provided for herein, any person violating any provision of the foregoing rules shall be guilty of a misdemeanor and upon conviction thereof shall be fined not more than \$100.00 and costs of prosecution, or imprisoned in the county jail for a period not exceeding 90 days, or both, for each offense, at the discretion of the court.

Section 29: REINSTATEMENT OF USER PRIVILEGE

- Sec.29.a Any person who has been evicted from park property pursuant to a violation of park rule(s) shall be deemed ineligible to use and/or be present on any Mecosta County Park Commission property for the term specified. To appeal the terms of an eviction, a written request is required to the administrative office so that the requesting party can be given a time and date to come before the Commission for re-determination. Commission members may evaluate any eviction notice and term for re-determination. Reinstatement of user privileges requires a majority vote of the Commission members present.

Section 30: SEPARABILITY

- Sec.30.a The provisions of this ordinance are separable, and the invalidity of any phrase, clause or part of this ordinance shall not affect the validity or effectiveness of the remainder of the ordinance.

Section 31: EFFECTIVE DATE

- Sec.31.a This Ordinance shall become effective on the date that Notice of Adoption is published in a newspaper of general circulation in the County. At the time this Ordinance takes effect, the existing Park rules promulgated under the authority of Public Act 261 of the State of Michigan (1965), as amended, are hereby repealed.
